Rotherfield Primary School Year 1 Term 3

Maths

We will start by learning about 3-D and 2-D shapes. We will then move on to numbers within 20, working practically to build, interpret and count in teen numbers. We will explore addition and subtraction within 20 by counting on and counting back and finding the difference.

PSHE

PSHE will be a mixture of our enquiry question: 'How can I stay safe and healthy?' and starting our next module with My Happy mind which is all about celebration. Please watch out for the parents newsletter for more information.

English

With our core text, Lost and Found by Oliver Jeffers, we will begin to explore simple reading comprehension skills including prediction, inference, sequencing and retrieval. We will focus on the Year 1 super sentence skills; capital letters, finger spaces and full stops. Children will research penguins and write their own non chronological reports.

RE - What is God like?

We will learn about the core Christian value of forgiveness through the Lost Son parable. We will explore what forgiveness feels like and how Christians show their love and appreciation for God.

Music

Our focus this term will be understanding music. We will be learning how to find a steady beat, how to clap and sing high and low sound patterns.

Goodall Class

Mrs Ahmed
Mrs Prince

Computing

We will be learning how to create animated stories on Purple Mash.

Geography — Our School

We will learn simple mapping skills by first looking at the aerial views of the classroom and taking part in scavenger hunts. We will create our own maps of the school and use directional language to explore them.

Science - Animals

We will learn about mammals, birds, amphibians, fish and reptiles, discovering what features they have in common.

PE

Mrs Ahmed: Gymnastics
Mrs Modjesch: Netball

Art—collage

We will be learning how to create a collage and practicing the techniques of cutting, tearing, layering and overlapping. The children will use these skills to create an Arctic landscape.
